

K9 Heatblock Antibacterial 30

K9 Heatblock® technology reduces heat by up to 20%. Antibacterial curly yarn minimizes odor from pet urine. 30mm pile ensures sun access to bottom of grass to help evaporate urine crystals and other waste bacteria. 50% height of curly brown yarns provide natural look and supporting the straight yarn. Y shaped blade stands up to repeated foot traffic when compared to ordinary grass. Double polypropylene layer and polyurethane glue reduces absorption of urine reducing odors.

PILE HEIGHT	30mm
TURF GAUGE	9.525mm
DENSITY	18,900
DTEX	11,600
NUMBER OF BACKING	3
BACKING TYPES	PP + Net + PP (Polypropylene + Net Polypropylene)
GLUE TYPE	ERET
YARN SHAPE	Y
YARN TYPES	PP + PE (Polypropylene + Polyethylene) with Antibacterial
STRAIGHT YARN COLOURS	Emerald Green and Olive Color
CURLY YARN COLOURS	Yellow and Coffee Brown
PRODUCT WEIGHT	
WARRANTY	10 Years
INFILL	8kg – 10kg
